8TH NATIONAL SYMPOSIUM OF **WOMEN IN REAL ESTATE**

Dear Friends of the Schack Institute of Real Estate,

It is our great pleasure to welcome you to the Eighth National Symposium of Women in Real Estate (WiRE 2025). Each year, our panelists and speakers convene to discuss the most pressing and timely topics shaping the real estate industry. This Symposium continues to grow in impact, thanks to the extraordinary work of our advisory board members, co-chairs, faculty, and staff.

Bringing together women serving in senior leadership roles at many of the industry's most prominent firms provides unique insights and sparks wide-ranging discussions on investment, financing, development, technology, and the future of the built environment. Over the years, the Symposium has also evolved to better engage industry leaders while serving our students, creating a platform that blends thought leadership with mentorship.

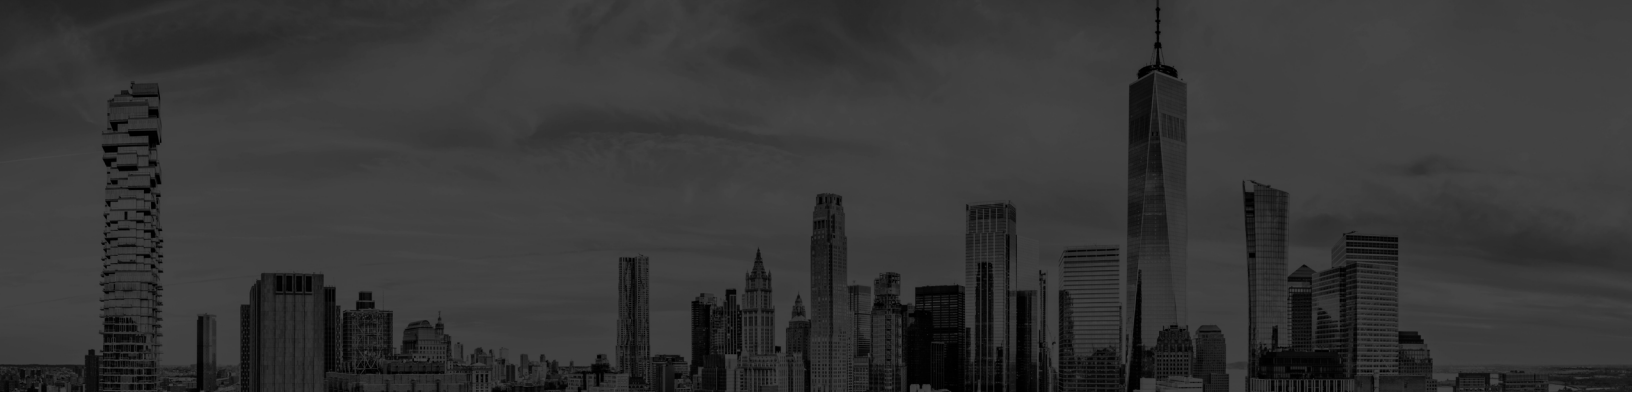

The opportunity for our students to connect with senior women in real estate is now a cornerstone of this event. Through structured networking, mentorship, and dialogue, students build relationships that extend far beyond the Symposium—relationships that develop into mentorship, friendship, professional connections, and even employment opportunities. We are deeply grateful to all who generously give their time to advise and inspire the next generation of real estate leaders.

On behalf of the students, faculty, administration, and broader community of the NYU SPS Schack Institute of Real Estate, we are honored to announce our Keynote Fireside Chat featuring Kara McShane, Global Head of Commercial Real Estate at Wells Fargo, in conversation with Nicole Young, Managing Director and Head of CRE Portfolio Management at Wells Fargo. This exclusive session, along with our dynamic panels and your participation, will once again serve as a hallmark of the Symposium—setting it apart as one of the most meaningful gatherings of women leaders in real estate today.

We are delighted to welcome you to this year's Symposium and look forward to another inspiring and impactful event.

MARC NORMAN

Larry & Klara Silverstein Chair in Real Estate Development & Investment, and Associate Dean of the Schack Institute of Real Estate
