DEAN’S REMARKS

Holiday Wishes

Dear Colleagues,

As we near the end of the academic term, we feel compelled to remind you of the importance of safe travel and gathering during the holiday season.

With the ongoing pandemic, we must remain vigilant in our efforts to prevent the spread of COVID-19. This includes adhering to local and university guidelines, practicing social distancing, wearing masks, and washing hands frequently.

We also encourage you to take care of your mental health during this time. The holiday season can be a time of stress and anxiety, and it is important to prioritize self-care.

I hope you have a safe and enjoyable holiday.

Sincerely,
